ABOUT US

KAYO Global stands at the intersection of quality, innovation, and global reach, offering a curated range of premium confectionery, biscuits, and snacks designed to delight diverse tastes across international markets.

Backed by the strength and strategic insight of AJCL, a prominent group with a diversified presence across Oil & Gas, Commodities Trading, Logistics, Ports & Shipping, and Aviation, KAYO benefits from deep-rooted expertise, global connectivity, and a robust operational backbone.

With a commitment to excellence at every step, KAYO Global blends timeless craftsmanship with modern sensibilities to deliver products that resonate with quality-conscious consumers worldwide. Our focus remains on creating enduring value through strong partnerships, consistent quality, and a forward-looking vision.

Together with AJCL we're not just producing snacks, we're shaping a global standard for taste, trust, and tradition.

OUR VISION

To be the best-in-class in our product categories. We envision a future where our commitment to innovation, quality, and customer satisfaction transcends boundaries, allowing us to bring joy to consumers around the world through our diverse and expanding product offerings. We strive to uphold the values that have defined our success for 65 years, while pioneering new standards of excellence in every market.

OUR MISSION

At KAYO Global, our mission is to capitalize on AJCL's legacy of excellence in global trade while embracing new opportunities in Packaged Foods. We are committed to delivering high-quality products that delight our consumers worldwide. We aim to build lasting partnerships, foster innovation, and expand our global presence, ensuring that our new venture reflects the same standards of integrity, reliability, and customer satisfaction that have defined our company for decades.

KAYO

“

KAYO was built on the belief that food should delight, connect, and endure. It's now scaling up with bold purpose — combining quality without shortcuts, real consumer insight, & authentic innovation. To our customers & partners, thank you for believing. The future is full of flavour, & we're just getting started.
